Friday 27th October 2023

Dear Parent / Carer,

With the help of 'Gordon our Goat of Generosity' we are planning a winter coat campaign after half term and will be collecting both adult and children's coats. The idea is where you simply ***leave what you can and take what you need.***

We are asking for donations of unneeded coats to be brought into school by **Thursday 9th November** and we will have our 'take what you need' open on the following **Thursday 16th November**. Any surplus coats collected will be donated to Shildon Alive.

Thank you for your support,

Catherine
