*Achieving More Together as God's Children*

### School News:

The Year sixes have been working with author, Adam Bushnell on their creative writing. The morning was spent handling artefacts to help with planning a fictional text based on actual World War II events. They gathered evidence and used a variety of language features. The results were outstanding - all of our children are authors!

During the afternoon the children investigated further artefacts and heard first hand recounts from the Holocaust. These were used as a stimulus for writing descriptive accounts of the Jews arriving at the gates of the Auschwitz Death Camp. The children's writing was both inspirational and moving.
