*Achieving More Together as God's Children*

**School News**

**Year 1 Firework Display**

Year 1 have really enjoyed celebrating Bonfire Night by learning all about fireworks. We made 3D fireworks, fireworks with natural materials, wrote acrostic poems and firework safety!

**Well done Year 1!**

**Year 6 work on World War 1 & 2**

Mrs Nash came into school last week to talk to the Yr 6 children about living in London during The Blitz of World War 2. We really enjoyed hearing about it from an eyewitness.

Durham University also visited Yr 6 and delivered a World War 1 workshop, we enjoyed playing scout games and looking at artefacts.

**Sports news:**

Well done to the Netball team for their league success. The children have been involved in a 3-week league at Newton Aycliffe Leisure Centre. Last night it finished in a final which the children won 4-0! **Well done!**

**Early Years:**

Nursery have had a super two weeks! We have been talking about feelings and made some yummy face biscuits.

The children have loved our music activities so much that some of the children have been making their own instruments in our creative area.

But most of all, we're looking forward to starting our Christmas celebrations!

**Star of the Week - 20th November 2015**
