Achieving More Together as God's Children

Head Teacher's News:

Food in School

To grow and stay healthy children need to eat a nutritionally well-balanced diet. Schools are an influential setting and can contribute significantly to improving the health and well-being of pupils. Please could you ensure that the children only have the following in their packed lunch: Sandwich, piece of fruit, yoghurt, healthy snack and a drink - no chocolate bars or sugary/fizzy drinks. If your child is on packed lunches, please avoid: packaged products that the children cannot open and giving them too much.

All the children will be coming home with a 'Food Smart' pack which includes some great advice for parents.

Holidays in term time

Government Regulations state that Head Teachers are **not allowed** to grant any leave of absence during school term time unless there are exceptional circumstances. If you are considering a holiday in term time and feel the circumstances are exceptional, please speak to me **before you book** the holiday so I can explain the procedure and collect a form from the Office.

Also, from 1st September 2015, legislation has altered. Any pupil who has unauthorised absences that are of 7 days or more will be considered as persistently absent and the consequences of this may be a referral to the Education Welfare Service for a fine.

Your child will be bringing home an interim report today. This covers their first term.

Sainsbury's Active Kids 2017

Once again, we are collecting Sainsbury's vouchers in school. By collecting the voucher's we can exchange them for new cooking and sports equipment for school. All our children will benefit from this equipment so it's a great help to collect as many vouchers as possible.
