### School News:

#### Year 2 Hancock Museum

Year 2 enjoyed their trip to the Hancock Museum this week despite being stuck on the motorway due to an accident. The accident on the motorway prevented the bus from getting to the Synagogue which was disappointing. The children's behaviour was impeccable throughout the day as usual.

#### Football Festival

Well done to our Year 3/4 Footballers. They all enjoyed participating in a Football Festival at the Alun Armstrong Centre last week. The children played really well and came away with a badge to commemorate their day.

#### Sports Leaders

A big thank you to the Year 5/6 Sports Leaders for cold but super leadership sessions. I know you all have enjoyed it and are looking forward to more leadership opportunities.

### Once a week, take a peek!

Head lice are extremely common. Please could you keep checking your child's hair and treat them accordingly. For more info please check [www.onceaweektakeapeek.com](http://www.onceaweektakeapeek.com) which has some great advice for parents on head lice.
