Achieving More Together as God's Children

Headteacher's News:

Please could I ask that the parents who bring cars be respectful of our neighbours when parking. Parking further from school would also ensure the children's safety as they leave.

Thank you for your co operation.

Star of the Week - 19th January 2018

- Reception - Brian
- Year 1 - Lewis
- Year 2 - Lillie
- Year 3 - Olivia
- Year 4 - Laura
- Year 5 - A-Jay

Have you heard of the SEND Local Officer?

If you have a child with, or are a young person with Special Educational Needs and live in the Durham County Council area - the Local Officer is the place to look for information, services and support:

Please contact: [County Durham's Families Information Service](#) | [SEND Local Offer](#) for further information.

School News:

Some of our older children competed at Newton Aycliffe Leisure Centre this week, in the Basketball League. The children worked really well together as a team and finished in 3rd place, receiving the Bronze Award! **Well done!**

Year 1 visit Durham Castle

The children had a great day visiting Durham Castle last week. We learnt all about the history of Durham Castle and the building. The children then enjoyed making their own Castle, dressing up in traditional costumes and learning to dance. **A lovely day!**
