Achieving More Together as God's Children

School News:

Year 1 - Zoolab visit

The children were visited by Zoolab on Thursday. They met Tilly the tarantula, Harry the python, Turbo the snail and other amazing animals. The children were very curious about the animals and asked lots of brilliant questions.

Year 4 - We love swimming!

Year 4 continue to make great progress in their swimming. They are all becoming more confident swimmers, perfecting their technique when swimming on their front and back.

Year 5 - Musical Workshop

Year 5 took part in a musical workshop at the Locomotion on Thursday. They learnt new songs and learnt to play new music on their instruments. The children thoroughly enjoyed the day!

During sunny periods, please could we remind parents to make sure the children have sun hats, water bottles and that sun cream has been applied ready for the school day. Hay fever medication can also be held in school, with signed permission, ready for a high pollen count. Thank you.
