Achieving More Together as God's Children

School News:

Fun service at St John's Church

Our children celebrated the theme of baptism recently by dowsing the hands of their teacher's, Mr Kay and Miss Smith with Ketchup. The teachers then had their hands washed by children bringing up cups of water which was a symbol of, turn away from bad and do good things instead. The children loved celebrating this special message.

Once a week take a peek!
