Achieving More Together as God's Children

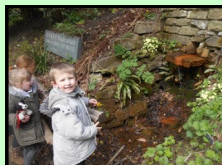

Early Years:

We started this half term with the arrival of 10 chicken eggs. We waited excitedly to see how many would hatch. After two days they started 'pipping' and by the end of the week we had 10 baby chicks! All the children learnt how to care for the chicks and enjoyed watching them grow and flourish.

The Botanical Gardens

Reception enjoyed a super trip to the Botanical Gardens and despite a few showers, we appreciated the environment in Springtime. We took shelter in the greenhouse when it rained and loved playing in the wigwam.

School News:

Zoolab

Year 1 had an amazing visit from Rob and some interesting creatures. We got to meet and learn about a Giant African Snail, a Salamander, an American Corn Snake, Cockroaches, Rats and even a Tarantula named Tara! The children were very excited and very brave when handling these unusual animals. We are really enjoying our animals topic.

Year 2

We had a great time at the Synagogue. We learnt a lot about Judaism and our excellent behaviour was commented on.

Greenfield Sunnydale Campus

Our Year 5 children had a fantastic experience at Greenfield Sunnydale Campus on Tuesday. They all thoroughly enjoyed themselves, as their DVDs show!
