**1000 Can Challenge**

**2022 Cans collected for Shildon Alive!**

Thank you to everyone who donated to our 1000 Can Challenge. Over the last year Shildon Alive has provided over 9000 meals to local people. Due to your support, they can continue to help and support this much needed cause.

**ParentMail**

You will have received messages recently to say that you are now able to pay for your child's school dinners via your ParentMail app. This is to reduce the amount of cash we handle within school.
