Achieving More Together as God's Children

School News:

Skipping School

Gail from the Skipping School joined us last week. Each class participated in a 1/2hr slot where they learned lots of skipping techniques and skipping games. The children loved it. 'I loved jumping, it was really fun', said Katie in Year 2.

Martial Arts with Year 1

The children from Year 1 spent a morning at Spennymoor Leisure Centre this week participating in Martial Arts and Multi Skills.

Multi Skills with Year 2

Children from Year 2 visited Newton Aycliffe Leisure Centre last week to take part in a Multi Skills Festival. At the Festival the children practiced their throwing, catching, kicking and balancing skills. Well done Harley T for being presented with the SSP Badge by Flames the Mascot for his excellent skills and behaviour. The children had a great time.

Tickets are now on sale for our Key Stage 2 Christmas Factor Concert .

Tuesday 10th December at 1.30pm and 6pm

Tickets are £1 each.

ParentMail

You will have received messages recently to say that you are now able to pay for your child's school dinners via your ParentMail app. This is to reduce the amount of cash we handle within school. If you are having any problems or are unsure about anything, please call into school and we will do our best to help you.

Thank you
