Rescued Food Stall

Dear Parent/Guardian,

Every week, so much perfectly good food is thrown out by supermarkets and shops just because it is on its sell by date.

Here at school, we want to make a difference! We are very pleased to be working alongside Shildon Alive to set up our own Rescued Food Stall.

Our stall, run by Year 5, will be situated outside of school every Friday, starting from this week Friday 3rd December from 2.45pm – 3.15pm.

A variety of rescued food from our local supermarkets will be available for any donations. Grab your carrier bag and get shopping.

Once again, thank you for your support.

Lisa

Mr A Farnell
