

Generosity

Recap: Zacchaeus the Tax Collector

*Why did Zacchaeus change
from being a selfish man to
being a very generous one?*

*What type of things
can you be generous
with?*

*How could you show
generosity today?*

Be Generous Today... and Forever!

I Could...

Let someone go in front of you in the line.

Say something nice about someone without them knowing.

Help to tidy the classroom at school or do the dishes at home.

Forgive someone.

How many people can you smile at?
(How many smile back!)

Pick up litter
(even if it's not yours!)

Really listen to someone when they're talking.

"Whoever sows sparingly will also reap sparingly,
and whoever sows bountifully will also reap
bountifully. Each one must give as they have
decided in their heart, not reluctantly or under
compulsion, for God loves a cheerful giver."

Corinthians 9: 6-7
